Here at Primary Care Sports Medicine, our doctors have a passion of teaching and instructing future doctors and other healthcare professionals by allowing them to participate in rotations and internships here in our clinic. This allows medical residents/students to get firsthand experience in the area of non-surgical sports medicine.

Please note that your care plan will not be dictated by the resident's/student's involvement and you will always be evaluated by the provider with whom you are scheduled. Your willingness to contribute to the learning of these students/residents much appreciated and is a vital part of the experience of our future doctors and health professionals.

PLEASE READ CAREFULLY AND CHOOSE ONE OPTION ONLY

While providing this service is important to us, your comfort is more important. Please indicate below your preference.

___ I AM comfortable with having students/residents **Observe, ask questions about my injury/nature my visit, take my vitals and perform a brief physical exam (only by a resident physician)** during my visit to further their learning.

___ I AM NOT comfortable with having students/residents present during my visit.

___ I AM comfortable having students/residents **OBSERVE ONLY.**

Primary Care Sports Medicine Financial Policy

Thank you for choosing our office to provide you with medical care. We are committed to serving you with excellent service and high-quality care. The medical services provided by our office are services you have elected to receive which may imply a financial responsibility on your part.

INSURANCE: We participate in most insurance plans. If you are not insured by a plan we participate with, payment in full is expected at each visit. If you are insured by a plan we participate with but do not have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

MEDICARE: We are a participating Medicare provider. We accept Medicare benefit amounts. Medicare as well as your secondary insurance (if any) will be billed for you. However; that does not mean that all services are covered. Patients are responsible for paying their annual deductible if it has not yet been met. You are also responsible for any copayments, which are usually 20% of the allowed amount for an item or service.

SECONDARY INSURANCE: Your medical claim will be forwarded to your secondary insurance (if any) after payment and/or explanation of benefits (EOB) is received from your primary insurance company.

SELF PAY: Payment in full is due at the time of service if you do not have health insurance.

NON-COVERED SERVICES: Please be aware that some of the services you receive may not be covered or not considered reasonable or necessary by Medicare or other insurers. You are responsible for full payment of these services at the time of service.

REFERRALS/AUTHORIZATIONS: We are required to follow the guidelines of your managed care plan which mandates us that when you visit a specialist such as ours, you must have a referral from your primary care physician prior to seeking specialty care. Therefore, you are financially responsible for the services received, unless your referral is presented at the time of this visit. If you do not have a referral from your primary care physician at the time of a visit, you will be financially responsible for all services received due in full upon completion of the visit. Full credit will be given if a referral is presented to our office within 48 hours of this visit. You will also be given the option to reschedule your appointment.

CLAIM SUBMISSION: We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company.

PATIENT BILLING: *All co-payments, co-insurance, or deductible amounts must be paid AT THE TIME OF SERVICE.* This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your portion of insurance benefits at each visit. As a courtesy, our office does verify benefits with your insurance carrier; however, the insurance agreement is a contract between you and your insurance carrier. It is recommended that you verify your benefits with your carrier as well.

PHYSICIAN PHONE CALLS: Phone calls with our physician(s) are a billable service, may be billed to your insurance company/companies, and are subject to your insurance benefits. You are responsible for your portion of insurance benefits for physician phone calls.

PRODUCT RETURNS: Products and medications which are prescribed for and dispensed to a patient may not be returned for any reason. Some product manufactures offer satisfaction guarantees and the patient may contact the manufacturer directly.

NON-CUSTOM DURABLE MEDICAL EQUIPMENT RETURNS: If a patient is unsatisfied with any non-custom Durable Medical Equipment item, it must be returned within 30 days per Medicare guidelines. Returns after 30 days will not be permitted. The item will only be accepted as a return if it is in returnable condition. Any custom durable medical equipment item including custom orthotics may not be returned for any reason.

MEDICAL RECORDS/FORMS: We will provide copies of patient records at the patient's request. Please provide our office 48 hours to complete your request. Additional Forms such as Disability, Accident Claims or forms requiring a "Physician Statement" will incur a **\$25 fee**. You will be charged a **\$5 fee** for digital X-Rays provided on CD.

CANCELLED/MISSED APPOINTMENT FEE: If you cannot keep your appointment time, please call our office at least 24 hours prior to your scheduled appointment time. You will be charged a **\$50 fee** for any appointment cancelled or rescheduled less than 24 hours of the scheduled time. If you arrive late for an appointment, we will do our best to accommodate you, however, we may need to reschedule your appointment. You will bear complete financial responsibility for any fee(s) incurred. Repeated missed or late appointments may result in dismissal from our practice.

COLLECTIONS FEE: You will be sent up to three notices for your financial responsibility (co-insurance, deductible) after payment and/or explanation of benefits (EOB) is received from your insurance company/companies. After final notice, your account will be forwarded to our collection agency. If your account is sent to a collections agency, a **40% fee** will be added to your account. You bear complete financial responsibility for any fee(s) incurred.

Payment arrangements can be made on a case by case basis. We accept the following payment methods: Cash, Check or VISA/MasterCard/Discover/AMEX. An additional \$45.00 will be added to your statement if the check is returned from your bank. We do not accept starter checks. In the event that your insurance company sends payment to you, the patient, it should be forwarded to our office to be applied to your balance.
